## **ADDITIONAL INFORMATION & CLARIFICATION**

### **STADIUM NAMES**

**Stadium / Ground names are not always completely accurate, in this edition, and in some cases are what the ground is commonly known as. For example Bournemouth will show Dean Court and not Vitality Stadium its current sponsorship name.**

**Some clubs have changed their stadium name on one or more occasions and therefore some stadium names are out of date.**

**Foreign ground will sometimes be referred to as Stadio, Stad, Estadio etc.**

## **GROUNDS VISITED**

**Wembley, The Millennium Stadium, Windsor Park, Aviva Stadium, Croke Park, Murrayfield & Hampden Park comes under 'Other Grounds' in the total section.**

**Academy and Training Grounds will also come under Other Grounds.**

## **CLUB NAME CHANGES**

**Some Clubs have changed their names over the years, for example Leyton Orient to Orient and then back to Leyton Orient. Swansea Town to Swansea City etc.**

**In 1972 Bournemouth & Boscombe Athletic dropped Boscombe Athletic and added AFC to the front. In this edition Bournemouth will not have the AFC included.**

**Wimbledon relocated to Milton Keynes in 2003 and in 2004 changed their name to Milton Keynes Dons. Many fans were not happy with the relocation or name change and AFC Wimbledon was born. Both are currently League teams.**

**A number of clubs have had minor alterations to their names when they have reformed or for other reasons adding FC or AFC etc. to the front of their name. For example and for alphabetical clarity AFC Wimbledon come under W and not A. AFC Bournemouth come under B not A**

## **USE OF OTHER TEAMS GROUNDS**

**Occasionally one club uses an other ground for a one off or for a limited time, for example Glasgow Celtic used Murrayfield when their ground, Park Head was being used for the Commonwealth Games in 2014.**

**Some clubs share out of choice, AC & Inter Milan, Brugge & Cercle Brugge and Lazio & Roma for instance.**

**However, a number of clubs have shared / used other grounds for a longer period out of necessity:-**

- Brighton & Hove Albion with Gillingham (1997-99)**
- Bristol Rovers with Bath City (1986-96)**
- Charlton Athletic with Crystal Palace (1985-91)**
- Charlton Athletic with West Ham United (1991-92)**
- Coventry City with Birmingham City (2019-21)**
- Coventry City with Northampton Town (2013-14)**

**Fulham with Queens Park Rangers (2002-04)**  
**Gretna with Motherwell (2007-08)**  
**Maidstone United with Dartford (1988-92)**  
**Tottenham Hotspur at Wembley Stadium (2017-19)**  
**Wimbledon with Crystal Palace (1991-2003)**  
**Alicante with Hercules (2001-2010)**

**For example Tottenham Hotspur used Wembley for over two years and it is shown as their ground, on the ground visited list, Glasgow Celtic who used Murrayfield on a couple of occasions does not show it as their ground.**

**Numerous non league clubs have used and / or share other clubs grounds.**

**For simplicity where a non league club shares another clubs ground, the owner and / or landlord does not show the sharing club(s) in the grounds visited list, but the club sharing the ground, who is neither the owner and / or landlord will show the club whose ground they are sharing. For example Grays Athletic will show (+ Averley), indicating they share Averley's ground.**

**The reasons for the above ground share vary and include financial need, own ground not up to the stipulated league standard, new ground not ready for use or under construction, no 'home' ground to play at, legal problems with ground owners or awaiting planning consent for a new ground.**

**In addition some International games take place at club grounds rather than a National Stadium, for example Holland at the now named Johan Crujff Arena (Ajax) and Italy at the Olympic Stadium in Rome, home of Lazio & Roma.**
